

Elizabeth Hall International

The prestigious International Baccalaureate Primary Years Programme (IB-PYP) is a comprehensive approach to teaching and learning that focuses on the world around us and our place in it. IB-PYP nurtures in students a powerful sense of their roles and responsibilities as human beings in a global society.

Elizabeth Hall teachers guide students using the IB-PYP inquiry process – a special way to ask and respond to questions – to have students gain knowledge, skills, strategies, attitudes, and attributes as they explore these themes:

- Who We Are
- Where We are in Place and Time
- How We Express Ourselves
- How the World Works
- How We Organize Ourselves
- Sharing the Planet

This powerful inquiry process provides meaningful opportunities for each student to work to his or her full potential in a supportive environment.

Elizabeth Hall is one of only two authorized International Baccalaureate magnet school programs in Minneapolis and is available to pre-kindergarten through fifth grade students.

TRANSPORTATION

Students who live in north and northeast Minneapolis receive transportation to Elizabeth Hall. Students who live in other areas of the city or nearby suburbs are also encouraged to request Elizabeth Hall, however, transportation must be provided by the parent or guardian.

MIDDLE AND SECONDARY YEARS PROGRAMME

Students can follow the International Baccalaureate Programme through middle and high school. Students who attend Elizabeth Hall International School will receive priority placement into either Northeast or Anwatin Middle Years IB Programme (dependent on student's home address) and can continue the IB Programme at one of the High School IB Diploma Programmes in Minneapolis.

To request Elizabeth Hall International Elementary School, please call Student Placement Services at [612] 668-1840 or to receive a personal tour, please call the school at [612] 668-2650.

Elizabeth Hall International Elementary is an authorized International Baccalaureate World School offering the Primary Years Programme since February 2007.
