ELEMENTARY SCHOOL *Igniting the Flames of Excellence*

FIELD DAY IS COMING...

April/May 2015

Dear Elizabeth Hall Families,

Field Day is coming! Our Field Day will be held at North High School's football field located on 17th and Girard on Wednesday, May 27th (with a rain date of May 28th).

Please read this important information *very* carefully:

- The field trip slip that is attached must be signed *and* returned in order for your child to participate! There will be no exceptions! This signed slip gives your child permission to walk to North's field with the entire school the morning of Wednesday, May 27th (Thursday, May 28th just in case of rain). Signed field trip slips must be returned by Thursday, May 14th.
- Our school police liaison officer will be escorting us to and from North's field.
- All classrooms plan to spend most of the day at North's field. Mr. Bryand, our Physical Education teacher and Field Day Committee are planning a full day of events and activities. We plan to leave the building at 8:30 a.m. and return back to our school building at 1:00 p.m.
- An all-school picnic is planned. A school bag lunch will be provided and brought over to the field for students. Students are welcome to bring a lunch from home rather than purchasing the bag lunch. Water will be provided by the school. Students should not bring treats or water bottles for this event.
- We are accepting donations of cases of water (24 bottles) so we will have at least one case available for each classroom. If you are able to donate a case of water, please bring the case to school before Thursday, May 14th so the bottles can be distributed to the classrooms.
- Our behavior guidelines are designed to encourage and reinforce good sportsmanship and provide support to any student who has difficulties

following the rules. The following behavior expectations will be explained and modeled to the students in their classroom as well as during Gym class:

- If a student is having difficulty following the expectations, he/she will be asked to sit out for one event with their classroom teacher.
 - If a student continues to have difficulty, student support will be called and the student will need to sit out on the bleachers.
 - If a student continues to have difficulty, he/she will be escorted back to the school.
- Following Field Day activities, certificates will be awarded to all students for good sportsmanship and fair play. Please talk with your child(ren) about how important it is to be a good sport and cheer on and encourage classmates.

Again, we are accepting donations of cases of water (24 bottles) so we will have at least one case available for each classroom. If you are able to donate a case of water, please bring the case to school before Thursday, May 14th.

We encourage you as parent or guardian to come to North High and cheer all the students on! You are welcome to accompany your child to the different events and encourage all your child's classmates to do their best. Adults can be the best role models of good sportsmanship when encouraging students.

Remember, please sign and return the attached field trip slip no later than Thursday, May 14th. If you have any questions, please contact the main office at (612)668-2650.

Sincerely,

C. Bennice Young

Principal
